CRB Checks - Standard and Enhanced

Standard Check

Standard checks are primarily for posts that involve working with children or vulnerable adults. They may also be issued for people entering certain professions, such as members of the legal and accountancy professions. Standard checks contain:

- details of all convictions, cautions, reprimands and warnings held on the Police National Computer (PNC);

and if the position involves working with children or vulnerable adults and the relevant boxes have been marked on the application form to indicate this:

- information from the Protection of Children Act List (PoCA);
- information from the Protection of Vulnerable Adults List (POVA); and
- information held by the DfES under Section 142 of the Education Act 2002 of those considered unsuitable or banned from working with children.

Enhanced Check

Enhanced checks are for posts involving a far greater degree of contact with children or vulnerable adults. In general, the type of work will involve regularly caring for, supervising, training or being in sole charge of such people. Examples include a Teacher, Scout or Guide leader. They are also issued for certain statutory purposes such as gaming and lottery licences. Enhanced checks contain the same information as Standard checks but with the addition of local police force information considered relevant by Chief Police Officer(s).
