

PSG

Firm Overview

PSG is a growth equity firm that partners with middle-market software and technology-enabled services companies to help them navigate transformational growth, capitalize on strategic opportunities and build strong teams. Having backed more than 85 companies and facilitated over 350 add-on acquisitions, PSG brings extensive investment experience, deep expertise in software and technology and a firm commitment to collaborating with management teams. Founded in 2014, PSG operates out of offices in Boston, Kansas City and London

PSG is seeking a **Growth Private Equity Analyst** to join their summer internship program in London at our offices on 15 Sloane Square, SW1W 8ER. This role will sit on the PSG Sourcing team, which originates new deal opportunities for PSG as well as PSG's existing portfolio companies.

Responsibilities

- Supporting the sourcing and deal team by researching and finding great companies that fit PSG's investment criteria
- Performing in-depth industry and market research
- Developing and employing investment judgement to determine where PSG investment professionals should invest their time
- Attend weekly meetings with PSG senior leadership to evaluate new deal opportunities in the pipeline
- Finding attractive M&A targets for PSG's portfolio companies
- Staying involved with deals as they progress through PSG's review process to gain exposure to the due diligence, evaluation, and negotiations and to support the process, specifically with M&A sourcing
- Complete an independent project assessing a vertical market or industry, research industry dynamics, and present to leadership team

Ideal Experience and Competencies

- Self-motivated, strong work ethic and comfortable working independently
- Strong verbal and written communication skills; ability to express key points in a clear and concise manner
- Proven interest in finance and/or technology and startups
- Ability to prioritize tasks, work on multiple assignments and manage rapidly changing assignments
- Degree in Finance, Accounting, or Economics desirable, but not mandatory
- Prior use of Excel and PowerPoint desirable, but not mandatory

Compensation

- Competitive salary
