

STREAM FOR REACH OUT

Information Pack

May 2022

Join us as we launch our first-ever streaming marathon and **become a key part of our brand new gaming community!**

Whether you're an established streamer, just getting into gaming or anywhere in-between, we're looking for streamers to #gameforgood by taking part in a streaming marathon throughout May 2022.

Could that be you?

Want to get involved? Just follow these steps:

1. Decide on your marathon

You can choose your marathon length, from 3, 6, 12 or a whopping 24 hours! DO split up your marathon and allocate time for breaks. If you choose a 12 hour stream, for example, you can split it into four, three hour sessions.

Stream any game on the console of your choice, fly solo or break down your marathon with a team of other streamers.

2. Tell us what you're going to do!

[Register here](#) to take part. We'll be in touch and share your story on our social media platforms to help drum up your engagement.

3. Set up your Just Giving Page

Visit our **[JustGiving team page](#)** and click Start Fundraising to set up your page in a few minutes.

You can edit your page with your own bio and fundraising target. If you're a streamer, you can link your stream directly onto your page.

What will we do to support you?

1. Offer behind-the-scenes help
2. Post about you on our social media platforms
3. Send a personalised thank you card
4. Send you a ReachOut pin badge if you raise over £100
5. Send you a ReachOut gaming jersey if you raise over £200

What does your support mean to ReachOut?

ReachOut is a mentoring charity, passionate about supporting young people from less advantaged communities to reach their full potential. We provide all young people on the ReachOut programme with a 1:1 volunteer mentor who supports their growth in academic and social confidence.

We also work with corporate and community partners to provide workshops for our young people, to develop their aspirations and help them to decide what they would like to do in the future.

When you fundraise for ReachOut, you are a part of making this support possible.

Please be mindful that we are a charity supporting young people, so please try to keep your stream appropriate.

Thank you!

If you have any questions about the streaming challenge or other ways to be involved with ReachOut, **you can contact Fundraising Officer, Ruby directly via ruby.richards@reachoutuk.org**
